### Custom Solutions Available

### About

- + The L Series 4 in 1 Bucket is an well-rounded, rugged-use tool that maximises productivity on your farm by equipping a single machine with the following versatile functions:
  - Digging, scooping and dumping materials
  - Bulldozing material and pulling out fence posts
  - Grappling green waste and clamping large rocks, tree trunks, logs and other debris
  - Grading, levelling, scaping or spreading topsoil or mulch to even out the ground
- + Standard width range of 1800mm – 2400mm gives capacities of 0.45m<sup>3</sup> – 0.60m<sup>3</sup>, offering a good balance of agility and efficiency
- + Compatible with ag loaders and large skid steers
- + Quick hitch compatible
