

Skid Steer 4 in 1 Bucket

The Skid Steer 4 in 1 Bucket is not just another bucket. It's a heavy duty, multi-functional workhorse engineered for serious operators who demand more from their equipment. Whether you're scooping, grading, dozing or grabbing, this bucket can do it all. And it does it with strength, precision and longevity you've come to expect from Kerfab attachments.

Key features at a glance:

- ▶ **Clevis-style pivot** - Durable, proven, and binding-resistant under heavy load.
- ▶ **Built to last** - 20mm 450 Grade Q&T base for extreme wear resistance.
- ▶ **Greaseable pins and bushes** - For long-term smooth operation.
- ▶ **Lock valve** - Holds the bucket jaws in place to prevent material or clamped objects from dropping.
- ▶ **Protected hoses** - Routed for damage prevention and easy replacement.
- ▶ **Easy maintenance** - Open cylinder cut-outs for hassle-free cleaning.

2 YEAR
STANDARD
WARRANTY

Slotted spill guard offers clear sightlines and entry step.

High-performance hydraulics - Motus 6" cylinders deliver up to 4,900kg of force.

One-piece 6mm GR350 steel back skin for superior strength.

Serrated clamping edges provide extra grip enabling you to handle awkward loads with confidence.
