

Telehandler Lifting Jib

Fast Facts

- + 24 Months Manufacturers Warranty
- + Built for Telehandlers
- + Australian Designed and Made

About

- + The Telehandler Lifting Jib provides a safe and secure solution for handling heavy loads that exceed safe manual lifting limits.
- + Ideal for lifting structural steel for buildings, moving plant and equipment, or transporting any other heavy loads.
- + Designed to be kept close to the hitch supporting its centre of gravity.
- + Quality rated swivel hooks allow flexibility of rotation for better maneuverability and access to items being picked up.
- + Manufactured from high tensile steel for guaranteed strength and durability.

Kerfab's range of Telehandler Lifting Jibs are available in a range of weights and capacities. Below is a list of our most popular sizes. **Custom Solutions Available**
